WYNT GANTON MILK

lived in by Wynt Ganton. 1934

From Bradwardine to Copernicus

Chapter 23: From Gerson to Hutton

1. The first part of the chapter discusses the work of Gerson, who was a prominent philosopher and theologian of the 14th century. He is known for his contributions to the philosophy of language and logic, particularly in the area of modal logic. Gerson's work on the theory of truth and the nature of divine knowledge is also discussed.
